Offer ends September 25th, 2012.

Call for an appointment today.

†\$3,000 MSRP minimum excludes 3rd party products or services. The Control4 HC-250 Controller has a MSRP of \$799.

Limitations: \$3,000 MSRP minimum does not include installation or service charges or charges for third party products. Offer only valid while supplies last, for the term of the offer. Some purchase limits may apply. In order to receive the discount, the minimum Control4 product purchase amount must be met. Only valid for qualifying individual orders with one shipping destination address. Limited to existing registered Control4 customers. This offer has no cash value and supplemental products are not available for return or exchange except under a valid RMA warranty claim through your dealer. Control4 reserves the right to modify or cancel this offer at any time.
